Last updated: February 2nd 2002

1. General License Agreement
2. Warranty
3. Copyright

1. General License Agreement

This file must be distributed with every copy of install-us. It may not be removed or modified. This information pertains to all use of this software worldwide. This document supersedes all previous "release notes for install-us".

This document pertains to the use and distribution of install-us. It applies to all install-us program and documentation files. Install-us is protected by law and international treaties.

* Application:

You are allowed to install one copy of SOFTWARE INSTALL-US and use it on your computer.

* Distribution of installations:

You are only allowed to distribute the created installation files with a registered version of install-us. You have (i) to put a valid copyright information of you or your company somewhere in the installation Wizard's interface and (ii) to agree protecting Schellhorn media-productions e.K. from any complaints of third parties. You are further not allowed to remove the Schellhorn media-productions e.K. Copyright information from the configuration files.

* Home - Professional:

Private persons can use install-us Home while the use is (i) private, (ii) non-commercial. A commercial use is defined where INSTALL-US is used for installing Software, which can be bought, licensed or registered in any way. Demo software for commercial software is restricted to and need the professional version. You are only allowed to use the Professional-Version of install-us for commercial software.

* Backup copy:

You are allowed to create one single copy of the SOFTWARE INSTALL-US. You are allowed to use this this copy for backup issues.

Additional Restrictions

* Restrictions according to Reverse Engineering, Decompilation and Disassembling:

You are not allowed to decompile or disassemble the SOFTWARE INSTALL-US (Reverse Engineering).

* Separating components:

The SOFTWARE INSTALL-US is licensed as one single product. You are not allowed to separate its components to use them on more than one computer.

* Software transfer:

You are allowed to transfer all your rights from this agreement to other persons, when you do not hold back one copy of the SOFTWARE INSTALL-US, and transfer the total package of the SOFTWARE INSTALL-US (including all components, the media and printed materials and all updates of this agreement), and the receiving person agrees with this agreement.

* Denouncing:

Schellhorn media-productions e.K. is allowed to denounce this agreement, when you act against this agreement in any way. In this case you are liable to destroy and remove all copies of the SOFTWARE INSTALL-US and its components.

5. REGISTRATION DATA:

By registering the SOFTWARE INSTALL-US you receive your personal registration key, consisting of your user name and your personal registration number. You are allowed to use this key on one computer at the same time. You are not allowed to rent or hire out this key to another user, when it is not a long-term transfer as described above.

6. UNREGISTERED VERSION:

You are allowed to install the unregistered version of SOFTWARE INSTALL-US on a computer and to use it for test issues, which have the purpose to test the ability of the SOFTWARE INSTALL-US for its later use. You are not allowed to distribute the created installation files in form of the project file or the created installation files to third parties or other persons as long as you are not owner of a valid registration key.

7. PRODUCT SUPPORT:

Support for the SOFTWARE INSTALL-US will be provided through Schellhorn media-productions e.K. for 30 days after receiving the licenced software or the registration key. Please refer to the support section on the page on <http://install-us.com>, to get software support.

8. DISTRIBUTION
